1 around 3%, something like that.

2 Q. Given -- given the deals that Mr Sater
3 sourced, approximately how much would 3% have gotten
4 him?

5 A. I don't know. I mean, let's say
6 purchase of Syracuse was, what -- I don't know --
7 couple of million, 1 or 2 million. So 3 or 5% of
8 that. Investment into Flatotel -- sorry -- Tri-County
9 was -- I don't remember -- around 25 or something like
10 that million. So 3 or 5% of that. Then the exit of
11 Tri-County, whatever, because he found a buyer. So 3
12 to 5% of that.

13 Q. What does that add up to in total
14 dollars approximately?

15 A. So let's say to simplify 25 million for
16 -- let's say if it was purchased for Tri-County, 3 or
17 5% of that.

18 MR KENNEY: It's 900,000.

19 A. So --

20 Q. The answer is 900,000.

21 MR SCHWARTZ: I can't hear you.

22 MR KENNEY: The answer is 900,000.

23 MR SCHWARTZ: Total?

24 MR KENNEY: 3% of 30 million.

25 MR SCHWARTZ: Right.
